**Response to Questions
for
Request for Proposal for
SMARTNET RENEWAL
For
Pikes Peak Library District
RFP #520-21-01**

QUESTIONS

1. Could you please confirm is it mandatory to submit the bid in soft-copy along with the hard-copy?
 - a. Please refer to the RFP section 2.6.
2. In order to create an accurate quote within the Cisco system, please supply the instance number for those lines on your spreadsheet that do not have a serial number listed.
 - a. Only 2 items appear on the spreadsheet without a serial number as they are licenses for Any Connect user licenses (L-AC-APX-1Y-S1 AnyConnect 1 yr 25-99 USERS QTY 75) and Cisco Threat Defense Threat, Malware and URL - subscription license (1 year) (L-FPR2110T-TMC-1Y).
