INTRODUCTORY.

We present herewith the third volume of R. L. Polk & Co.'s combined City Directory of Colorado Springs, Colorado City and Manitou, and feel sure that it will in all respects be found worthy of the approval of its patrons and the public in general, and compare most favorably with like publications issued for the largest cities. The canvass for the information contained herein has been made very recently, and the compilation, printing and binding has been pushed to completion as rapidly as possible, consistent with good and efficient work.

The City Directory is essentially a guide to the city, and to its places of business, its homes, and its institutions. To the man or woman in business it is indispensable, and to the great majority of the general public it is a thing of almost daily utility, but besides all this, there is nothing which is so truly and so comprehensively a record of the city's progress.

This volume contains, by actual count, 19,076 individual names, and by using the lowest multiple in vogue in Western cities (2½) we figure the present population of Colorado Springs, including Colorado City and Manitou, to be 47,690.

Attention is called to the Street and Avenue Guide for the three cities, which appears on pages 25 to 37 inclusive; and to the revised and up-to-date department of Miscellaneous Information, which will be found on pages 39 to 71 inclusive. The "Directory of Householdors" (pages 620 to 702 inclusive) will also be found more complete than ever, and this department of the work will doubtless be highly appreciated by all having occasion to consult it.

We take this opportunity of thanking the liberal and progressive business and professional men of the three cities for the generous support given us in the way of patronage, and the citizens in general for valuable assistance rendered in the way of furnishing us with information concerning themselves and their business. It shall be our aim in the future, as in the past, to publish every year an up-to-date and reliable City and Suburban Directory containing all the features which go to making a work of this kind a true reflex of the territory covered.

KI-RO-PRAK-TOR.

No. 214 E. Pike's Peak Ave., COLORADO SPRINGS, COLO.

CHIROPRACTIC (Ki-ro-prak-tik)—Is the new science of healing without drugs. It is in
 harmony with Nature's laws. Seldom fails; never does harm. We use no drugs, no knives,
CHIROPRACTIC is common sense. It will bear investigation. It is the only mode of
 healing which exactly locates the cause of sickness and removes the same. All diseases per-
 manently cured. Appendicitis, Gall Stones, Liver Diseases, Rheumatism, Spinal Diseases,
 Constipation, Heart Diseases, Kidney Diseases, Neuralgia, etc. It is not Faith Cure, Chris-
 tian Science, Magnetic, Osteopath, Massage nor anything else, but **CHIROPRACTIC**. It is
 based on a correct knowledge of the nerves. It adjusts all displacements and allows the
 innate builder to reconstruct the broken-down tissue.

NO DRUGS. CONSULTATION FREE. NO SURGERY.
